Dear Parent,

Thank you for your interest in our Suzuki Program.

Enrolling your child into a Suzuki program can bring about a life-long learning adventure for you and your family with many benefits.

The parent attends every 30 minute lesson with the child at their school and practices with the child at home. To help understand the commitment involved, we ask that you gather as much information as possible before registering.

Please observe three videos at [www.suzukicps.org](http://www.suzukicps.org).

The first video "Suzuki Cooperative in Action" will give you information on Dr. Suzuki's philosophy and his philosophy in action.

Then go to the tab "Parent Resources" and watch 2 mini lessons. These are examples of a typical private Suzuki lesson.

Committing to the program means practicing daily with your child and listening daily to the Suzuki music/recordings. Daily practicing will build technique and daily listening will help develop your child's musical ear. If these two activities become a part of your family's daily life, the Suzuki experience can be very rewarding.

Additionally, participation in group lessons is a necessary part of Suzuki training. Flute group lessons are on selected Friday late afternoons. String group lessons are on selected Saturday mornings. These group lessons occur approximately two times per month.

Tuition is based on each family's Federal Income Eligibility Guidelines (NOT if your school is a Community eligible school). The 3 tuition tiers are \$100, \$250, or \$1000 per school year, depending on the family income. Payment plans are available.

Parents rent a instrument for their child. There is scholarship assistance, based on need, for rentals.

After knowing that you can make a commitment to the Suzuki Method (daily practicing, daily listening, & attending group lessons), please return to our home page, and fill out the Suzuki Interest Survey Form.

Thank You,  
Ms. Nadine Monchecourt  
Executive Director
